EDUCATION

Shri Shankaracharya Technical Campus <i>B.Tech Computer Science and Engineering (Internet of Things)</i> CGPA: 8.06	2023 – 2027
Indu IT School, Chhattisgarh, CBSE(XII) Percentage: 86.7%	2022
Indu IT School, Chhattisgarh, CBSE(X) Percentage: 92.7%	2020

TECHNICAL SKILLS

- **Languages & Scripting** — Python, C++, Bash / Shell
- **Frameworks & Databases** — FastAPI, PostgreSQL
- **Operating Systems** — Linux(Fedora), macos, windows
- **DevOps & Cloud** — Docker, AWS (S3, Lambda, DynamoDB, Textract), Git, GitHub
- **Familiarity / Exposure** — GitHub Actions (Basic CI/CD)

MAJOR PROJECTS

Serverless Cloud-Based Resume Parser

Tech Stack: AWS S3, Lambda, Textract, Comprehend, DynamoDB, API Gateway, Python

- Architected an event-driven, serverless data pipeline using AWS S3, AWS Lambda, and Amazon DynamoDB for automated document processing and storage.
- Deployed a static web dashboard on Amazon S3 and configured a REST API backend via AWS API Gateway, managing CORS headers and public bucket policies.
- Developed Python 3 AWS Lambda functions integrating Amazon Textract (OCR) and Amazon Comprehend (NLP) to parse unstructured files and route data into a NoSQL database.
- Implemented Identity and Access Management (IAM) least-privilege roles across 6 AWS services and successfully resolved API endpoint routing and access errors.

SecureSync Backend

- Developed a RESTful API using Python and FastAPI to manage user tasks and handle standard CRUD (Create, Read, Update, Delete) operations.
- Secured application endpoints by implementing user authentication and authorization using JWT (JSON Web Tokens).
- Integrated a PostgreSQL database using SQLAlchemy ORM to store and relate user data, and utilized Alembic to manage database schema changes.
- Containerized the application and database with Docker and Docker Compose, and utilized uv to streamline local Python dependency management.

CERTIFICATIONS & WORKSHOPS

- **Bootcamp on Drone Assembly and Design:** Issuer: IIT Bhilai (Government-Sponsored) | Location: Bhilai, India | Date: 2026-02
- **Cloud Computing Training:** Issuer: Infynas Learning | Location: Offline | Date: 2026-07
